

Linda Cohen Biography:

(please use as written)

Dynamic speaker Linda Cohen, The Kindness Catalyst, shares the ROI of kindness with businesses and associations through customized interactive programs for team meetings and conference keynotes.

With enthusiasm and expertise, she describes how kindness is no longer a “nice to have” in the workplace, but an imperative skill for leaders and employees to cultivate.

“Kindness,” says Cohen “is at the basis of every aspect of a positive company culture from recruitment and retention to morale and burnout. There is overwhelming evidence today that kindness can conquer burnout!”

Kindness practices build stronger organizations. Invite *The Kindness Catalyst*, Linda Cohen to speak to your team or organization. Understand that the size of kindness action doesn’t matter. It is the ripple effect that spreads out to the world and has a positive effect on your bottom line.
